

TRAFFIC ACCIDENT RECORD

Having a collision on the road is an awful experience. Hopefully this accident record will help you to gather all the information your insurer will want to know, while it's still fresh in your mind.

It might be useful for you to make a note of who your insurer is, their contact number and your policy number:

INSURER:

CONTACT NUMBER:

YOUR POLICY NUMBER:

This document is designed to help you through a minor accident. In the case of a serious incident or if anyone needs medical attention, call **999** immediately. If you can, turn off your engine, switch on your hazard warning lights and ensure you're in a safe position away from traffic before taking down any details.
